

Bernie Sanders is a socialist cliché who hasn't had an original thought since he honeymooned in Russia 28 years ago.

Poor Sen. Sanders got scammed by the queens of corruption, Debbie Wasserman Schultz and Hillary Clinton, and then he laid at the feet of Clinton like a puppy.

What will happen to the misguided people who placed their hopes in Bernie Sanders? They will be expected to smile and joyfully march into the arms of the Clinton political machine and forget how cynically they have been abused.
