

Give cartels a 'droning - Hutchinson News, The (KS) - June 23, 2012

June 23, 2012 | Hutchinson News, The (KS)

We have used Predator drones effectively to eradicate anti-American terrorists throughout the world. Maybe it's time to target Mexican drug cartels in the same manner.

Give the Mexican government an ultimatum: Take care of business or the United States will solve the problem for you. Let drug cartel members, from top to bottom, look to the uncertain skies with dread.
