

Reader appalled by insensitive police actions - Hutchinson News, The (KS) - May 15, 2000

May 15, 2000 | Hutchinson News, The (KS)

I can't express how outraged I was when I read the Western Front letter about the Hutchinson Police killing that little dog. If this was a vicious pit bull or Doberman maybe, but you mean the brave men of the police department can't handle a 20-pound lap dog without gunning it down! The callous insensitivity of this police department isn't to be believed.

I suppose this will be white-washed like it always is when the police get itchy trigger fingers.

Parents, guard your toddlers well. HPD is on patrol!
