Letter to the editor: One party engages in bullying

One party engages in bullying

If you want to look into a dark pit, a place where truth fears to tread you need to go no further then the progressive wing of the Democratic Party.

This is the party of swamp creatures like Nancy Pelosi and Maxine Waters, a place where anything goes in the pursuit of absolute power. Character assassination, ambush tactics and intimidation have become a substitute for rational political debate.

With more resemblance to "brownshirts" the youth-wing of these Soros-funded basement dwellers resort to the stalking and bullying of anyone who stands in their way and then pretend they are engaging in "freedom of speech."
